

HANS HERZOG

The Herzog Discovery

Herzog is a boutique family affair unfettered by commercial considerations producing almost uneconomically low yields handpicked from their exceptional 'Grand Cru' estate. Hans works 'hands-on' in the close planted organic single vineyard paying meticulous attention to detail creating elegant wines rich in varietal character. His winemaking practices are traditional, non-interventional and purely natural - nothing is added or extracted - to respect and preserve the tantalizing aromas and flavours that have been optimized in the vineyard. The hand crafted and extremely concentrated wines are allowed to gracefully mature over time in French Barriques on the Estate's Winery, widely acclaimed as one of the best in New Zealand.

Pinot Gris 2010 Famous for its subtle touch of pink, our Pinot Gris is uniquely rich & full-bodied yet still dry, silky & extremely elegant with fine flavours of quince & pear.

Sauvignon Blanc 'sur lie' 2010 Unlike a typical Marlborough 'savvy' this is a pure, elegant Sauvignon with creamy aromas of crisp honeyed grapefruit & pineapple.

Chardonnay 2009 The epitome of elegance! Defined by tremendously concentrated, ripe fruit flavours balanced by a sturdy structure, rich texture & great complexity.

Montepulciano 2008 Not for the faint-hearted, Hans' Monte is an outstanding, seductive powerhouse – one to have the Italians crying into their spaghetti! With hints of chocolate, dark cherries, spice, liquorice and earthy flavours. Stunning & complex!

Tempranillo 2009 Very rare! A great 'Spaniard' aged on its fine lees for 18 months. A deep purple/ruby red colour with typical aromas of blackberries, cherries, plums & spice box with earthy undertones.

Zweigelt 2010 An Austrian powerhouse! Rich & dark violet in colour with flavours of ripe berries, black pepper, spices & earthy undertones. Aromas of ripe stone fruits, elderberries & dark chocolate. A highly complex wine with great acidity, structure & velvety smooth tannins.
